EDUCATION

Inter-American University of Puerto Rico – Bayamón Campus   August 2022 – 2026
Bachelor of Science, Computer Science
   GPA: 3.47

SKILLS

Technical Skills: *C++, Python, C#, Kotlin, HTML, CSS, JavaScript*
Soft Skills*: Teamwork, Problem Solving, Logical Thinking, Adaptability and Creativity.*
Languages: *English and Spanish*

WORK EXPERIENCE

Success Center Inter-American University of Puerto Rico – Bayamón Campus   August 2023- Present
Student Tutor
- Demonstrated strong knowledge and proficiency in Fundamentals in Algebra and Logical Programming, enabling students to grasp difficult topics effectively.
- Assisted students in understanding core principles and problem-solving strategies, helping them improve their overall performance.

Master Workforce Inter-American University of Puerto Rico – Bayamón Campus   June 2023 – August 2023
Research Intern
- Learned the fundamentals of Modeling and simulation for a Phishing Identification and Decision Support System.
- Played a pivotal role in the front-end development of a web application designed to train employees in phishing attack prevention and enhance overall cybersecurity.
- Proficiently used HTML, CSS, and JavaScript to create an interactive and informative user interface for the training platform.

PROJECTS

Tic Tac Toe   July 2023 - Present
- Creating a fully functional Tic Tac Toe game app using Kotlin in Android Studio, demonstrating proficiency in mobile app development.
- Implementing game logic, user interface design, and user input handling to ensure a seamless and enjoyable gaming experience.

Stopwatch   May 2023
- Successfully designed and developed a stopwatch game using C# in a Windows Forms App with the .NET Framework.
- Implemented stopwatch functionality with precise timing accuracy, user interface controls, and interactive features for an engaging user experience.
- Demonstrated expertise in C# programming, Windows Forms application development, and time-keeping algorithms, further advancing skills in software development.

LEADERSHIP & COMMUNITY INVOLVEMENT

Infotech Student Organization   August 2022 - Present
Vocal
- Played a key role in brainstorming sessions and problem-solving activities within the organization.
- Helped lead successful project implementations and deliverables, resulting in positive outcomes.
